

relay **X**

RADIO SIMPLE, REALITY READY

- ✓ Unbreakable Performance.
- ✓ Unmatched Simplicity.
- ✓ Ready for Anything.

Radio Basics, Done Better

Unmatched Volume and Clarity

Experience 110dB of audio power with dual 2.0W speakers and three advanced microphones that eliminate noise and echo.

All-Day Battery Life

Benefit from two full shifts of continuous operation with RelayX's robust 2900 mAh battery, surpassing ordinary radio endurance.

Multi-Network Redundant Range

RelayX seamlessly integrates multiple networks to deliver a robust, redundant connection that outperforms both smartphones and radios.

A dramatic upgrade in cell service and speaker sound... the translation feature makes it easy to communicate with new hires.

Frank Debellis,
Inventory Manager of Ace Endico
